

# Priceless Gowns

**Every person** on this earth is priceless to God. One of the desires of First Baptist Conroe is to show God's love to the teenage girls of Montgomery County. We can do this by providing FREE prom dresses to junior and senior girls. We are hoping to instill in these girls a sense of personal value. While the girls may be focused on prom, their dress, or their shoes, we will be focused on them. We want each girl to be treated with respect and grace, and give them an opportunity to see God's love.

On Friday, March 27, from 4:00pm - 7:00pm, and Saturday, March 28, from 9:00am - 11:30am, we will open our church doors to these girls so that they have a chance to select a gown of their choice. We have over 500 dresses for the girls to choose from. The only requirement is a school I.D.
